

Maverick Certification Hub — Quick Slide

Purpose: Demo-ready full-stack app for presentation.

Demo admin

ŸŸ Email: admin@maverick.com

ŸŸ Password: Password123!

Run (local)

ŸŸ Backend: cd backend && dotnet run --project src/CertificationHub.Api (http://localhost:5000)

ŸŸ Frontend: cd frontend && npm ci && npm run dev (http://localhost:5173)

Key fixes

ŸŸ Added Manager role and permissions

ŸŸ Replaced JS-style C# array initializers and initialized collections

ŸŸ Updated seed data and demo admin password

Quick checks

ŸŸ GET /health

ŸŸ Login; view Drives, Registrations, Vouchers

Note: Rotate/remove demo credentials before public release.
